(B.Tech./MCA)

KIET UNIVERSITY

PLACEMENT POLICY 2027 BATCH

(B.Tech./MCA)

KIET deemed to be University is committed to provide placement support to all the students who are willing to participate and successfully complete their undergraduate & postgraduate programme and maintain good conduct throughout the Programme.

Placement Policy: KIET follows One student one offer policy

KIET CRPC has framed the following policy for **2027 Batch** to facilitate the **best career options for the students.**

- All students of **Batch 2027** shall register on superset and regularly prepare for placement drives using IAMNeo platform.
- KIET University follows 'One Student–One offer' policy. After being offered a job by any company, a student is allowed to participate further in the Super Dream / Dream Company placement process only.
- It is mandatory for all the eligible & unplaced students to register & participate in the mass recruitment companies.
- Students selected from **CTC Rs. 7.00 LPA to Rs. 8.99 LPA** will be eligible for the next opportunity, if CTC is 1.50 times higher than the previous offer for Dream Offer.
- **Dream Offer:** The companies offering package 9.00 LPA or above, may be designated as dream companies generally. However, based on prevailing conditions and availability of students CRPC has the right to make decision on this.

Super Dream Offer: Any placement offer with a CTC of ₹16 LPA or above shall be categorized as a Super Dream Offer. However, based on prevailing conditions and availability of students CRPC has the right to make decision on this.

- After joining any company offered through campus, students can appear/participate only for two Super Dream / Dream Companies, it is the self-responsibility of the student to ensure this requirement. If the joining is after completion of course, students are allowed for all Dream companies.
- If a student is selected and does not join as per the company date of joining during the academic session, he/she will be considered as placed and allowed for maximum two dream and super dream companies.
- For a Dream company a student shall not be eligible if he/she has already been selected in some company of equal or higher package to that company.
- Students from Core branches placed in software companies will be allowed to appear in Core companies irrespective of CTC.
- Any student placed with non-technical profiles (Marketing, Content Development, Business Development etc.) will get opportunities in further campus drives with technical profiles.

- Before applying students are advised to read the job description very carefully. Once registered for any placement drive, student cannot step back.
- In case students get offer on their own, they will still be eligible for the campus placement.
- In case the result of the first company is not declared, the student will be allowed for another opportunity. A student shall be eligible to appear in all registered drives till she/he gets an offer. As soon as offer/selection is received, student shall on his own stop appearing in the further drives and follow one student one job offer policy.
- **Placement Preparation through IAMNeo:** There are certain specific companies that need rigorous training before the actual assessment of the company. CRPC and Training division shall inform students, well in advance for the pre assessments of such companies. A schedule of pre assessment shall be shared by Dean Technical Training and it will be mandatory for every eligible student to appear in the pre assessment tests. Students not participating in pre assessments will not be allowed for appearing in the drive of respective company.
- For being eligible to appear in Super Dream / Dream companies IAMNEO platform may be used for shortlisting of candidates based on student performance in the relevant company practice test.
- If any student, who is already placed and found sitting in next drive without prior permission from the CRPC Department; the offer of that student from the 1st Company may be cancelled.
- Students are advised to maintain the highest level of decorum and discipline during on/off campus placement activities, if any student is found causing indiscipline or misbehaving with Company staff / CRPC staff/student coordinators/participating students; he/she will be debarred from further placement activities.
- Any student who posts undesirable information/content or defames the University, corporate, or officials on social media can be subject to disciplinary action.
- Students are not allowed to use the mobile / smart watches / electric gadgets during the recruitment process. If any student is found to be using unfair means during the placement process, he/she will be immediately disqualified from the current placement season.
- In case of any violation of the above policy, CRPC shall have the right to take in disciplinary action against such students.
- Every student will update about the placement Opportunity/Startup/Higher Education/Entrepreneurship being perused by her/him before final project viva on the departmental google sheet as shared by the department.

Placement Guidelines

To create a holistic atmosphere and optimize the process, below are some of the important Guidelines adhering to campus recruitments for students passing out in the Year 2025. Please go through minutely & follow each step.

1. **Dress Code:** Students would have to wear proper business formals for every recruitment process.
 - Blue/Black – Trouser
 - White/Light color – Shirt
 - KIET Tie
 - Black – Shoes
2. **Early Joining:** Students have an opportunity to transfer learnings from classroom to the workplace. During Internship a student works on the real-time project of an organization. This period makes the transition from a student to an employed professional in industry, seamless and smooth. The students who will be joining any organization during final year are required to adhere guidelines of early joining.
3. It is mandatory to join the company after selection on the said date until or unless the student has declined the offer with due approval of DPC and CRPC.
4. It is mandatory to complete company specific Pre- Joining module like: TCS – Xplore, TechMahindra – LFC, Wipro- TalentNext, Capgemini / HCL – In Campus / Virtual Training, Accenture – Pre Learning Program and so on.
5. All students to ensure that they are meeting the eligibility criteria of the company/ process as mentioned on the CRPC notice. All mark sheets are being checked at the time of joining, if company finds that any student who has manipulated his/her marks/documents at the time of Campus Recruitment, his/her job offer will be terminated and will be blacklisted forever.
6. Students are not allowed to contact Company Delegates directly for any reason. If they are facing any problem, they would have to first contact CRPC and discuss their problem.
7. Strict discipline needs to be followed by every student during the recruitment process. Any students found misbehaving or misconduct will be debarred from the entire placement season. No casual talks or remarks should be extended by any students during the process or even after the process to company delegates or on social media.
8. It is advisable and expected by all students to be vigilant and report any breach committed by fellow batch mates to CRPC for the protection of sanctity of University.
9. Students may be required to visit Company Office/Other College Campus for recruitment processes.
10. Mandatory Placement Kit: CV, Passport size photo, A-4 sheets, Pen(Blue/Black), Academic Credentials, College ID Card, Pan Card, Aadhar Card.
11. If student quits the process in-between after registration (without any information), the disciplinary action may be taken against the student.
